Business Operations: Inventory Management, Sales Optimization, Customer Relationship Management (CRM), Stock Reconciliation

Tools: Microsoft Excel, PowerPoint, Word

Soft Skills: Team Leadership, Client Communication, Adaptability, Analytical Problem-Solving

CERTIFICATIONS

- Adobe Certified Professional — Web Authoring Using Adobe Dreamweaver, Certiport (May 2025, verify: bmEq-sFVy)
- Cybersecurity Certificate — NUPAT Technologies Ltd (Nupat Code Camp) (August 2025)
- Cybersecurity Fundamentals Certificate — Alison (2024)

TECHNICAL TRAINING

Full Stack Web Development Training — Mactay Consulting

Jan 2025

- Built user interfaces with HTML5, CSS3 and JavaScript, and optimized web performance through lazy loading and code splitting.
- Designed and managed relational databases using MySQL, and collaborated with UI/UX designers and QA testers to debug and refine systems.

Cybersecurity Analyst Training — Nupat Technology

Oct 2024 – Jan 2025

- Completed hands-on training in threat detection, vulnerability assessment and risk management.
- Developed practical skills in network security, data protection and cybersecurity best practices.

PROFESSIONAL EXPERIENCE

Sales Executive, Airtel Home Broadband — Airtel Nigeria, Lagos

Feb 2024 – Aug 2024

- Drove customer acquisition for Airtel Home Broadband through targeted, needs-based sales strategies.
- Consistently met and exceeded individual sales targets, contributing to overall regional sales growth.

General Service Executive — AOL Gadget Store, Ikeja, Lagos

Dec 2021 – 2023

- Reduced customer complaint turnaround time by 80% by streamlining service and social-media response processes.
- Built a spreadsheet-based inventory tracking system that cut stock discrepancies and improved stock turnover.
- Grew revenue by actively promoting products and maintaining high service standards.

Assistant Mall Manager / Stock Accountant — Metro Park Shopping Mall / Club 424, Lagos

Mar 2021 – Nov 2021

- Implemented procurement strategies for wine and spirits that reduced costs and maintained optimal stock levels.

- Conducted monthly stock counts that improved inventory accuracy and reduced discrepancies.
- Resolved shop-occupant complaints promptly, maintaining a favourable mall environment.

EARLIER EXPERIENCE

- Stock Keeper, Covenant Harvest, Sango, Ogun State (Oct 2019 – Feb 2020) — Introduced tracking processes that reduced inventory discrepancies and improved order fulfillment speed.
- Teacher, OAE Nursery and Primary School, Sango, Ogun State (Jul 2014 – Aug 2015) — Planned curricula, ran daily assemblies, and managed school bookkeeping.
- Electrical Installation Apprentice, Rimmysigns and Technical Services, Lagos (Jan 2013 – May 2014) — Supported maintenance, installation and repair of electrical systems.
